

Intern - eTutorWorld

About eTutorWorld

eTutorWorld is a leading EdTech company providing world-class online tutoring services for K-12 and Test Prep.

eTutorWorld was founded in 2008 in Glen Arbor, Michigan, and Bangalore, India. Founders realized that tutoring can be made much more affordable and convenient at the same time, without any compromise on the quality. This has been the eTutorWorld mantra till date.

Personalized LIVE online 1-to-1 tutoring is provided in English, Math and Science for grades 2 to 12. Tutoring services and worksheets are also provided for various test preps such as SCAT, SAT, PSAT, ACT etc.
